

# HYDE MUSIC DEPARTMENT

## Extra-Curricular Music

### INSTRUMENT LESSONS

Instrument lessons are 20 minutes long and can be individual (£12.88 per lesson) or shared with just one other student (£6.44 per lesson). Don't let the price put you off as you may be entitled to discounted or free lessons.

Lessons are provided by Tameside Music Service and therefore lessons & payment can be arranged here:

**<https://uktameside.speedadmin.dk/registration#/>**

or by following the link in your Music Google Classroom.

Once signed-up for lessons you will be added to the instrument timetables, which are displayed outside of the Music Department, and you will also be added to the Instrument Lesson Google Classroom, where you will have access to your timetable, sheet music, backing tracks and videos to help you learn.

Instrument lesson times will take place during the school day. Lesson times change fortnightly to avoid clashing with the same subject every week. If you have any further questions please email: [s.anthony@hydehighschool.uk](mailto:s.anthony@hydehighschool.uk)
