## Enrichment Offer 2025-26

# Enrichment 2025

## Year 7 Students

Enrichment is compulsory for all Year 7. You'll have a wide range of activities to choose from, whether you choose a club which runs for the whole year (like football) or just for a term — both options are fine. You're also welcome to join additional activities later in the term if spaces are available.

Please note that enrichment choices depend on availability, so make sure to select a reserve option in case your first choice is full.

## Years 8, 9, 10 & 11

Enrichment is optional, but once selected, attendance is compulsory.

This booklet includes all the information you need:

- Activity times and dates.
- Descriptions and requirements.
- A full timetable for the week.
- Some activities may change, so always pick a reserve.
- Once allocated, you must attend, but more opportunities may become available later if spaces open up.

## How to sign up

### Once you've decided:

- Complete the Google Form, open from 5pm on Monday 8th September until 9am on Friday 11th September.
- This is to express your interest and does not guarantee a place, though we'll do our best to match preferences.
- Fill in your details (name and form)
- Pick two choices in order of preference.
- The school will allocate places and inform you of the starting details during form time.

### Remember:

- Pick a reserve option.
- Once allocated, attendance is expected.
- More activities may open later if spaces become available.
